UMFC acknowledges the support of the Victorian, NSW, and Australian governments. We acknowledge the traditional custodians and Elders past and present, who have raised children and taught them about the world around them. We celebrate diversity and are committed to inclusion for all as a service and a workplace. We are a Child Safe Organisation.

Trust in Kids

Giving kids and young
people a better chance
to fulfil their dreams

Almost 1 in every 5 Australian children is living in poverty—and locally across North East Victoria and the Southern Riverina of NSW children, young people and their families face inequality due to financial disadvantage and trauma.

There is a clear need to help kids in our local communities experience everyday opportunities they'd otherwise miss out on. Some need help with basic necessities such as bedding and furniture. For others, it's assistance with school costs or music, dance, or swimming lessons.

Allowing you to contribute in a variety of ways

Your support for Trust In Kids can have an enormously positive impact on a vulnerable child's development, helping them to feel a sense of belonging among other children and young people and valued by their communities.

Your donation will help young people enjoy a range of educational, social, recreational, and cultural opportunities. Every cent you donate is spent on local kids and is tax deductible.

You can make a single donation or you might consider becoming a monthly donor to provide continual support throughout a child's upbringing. And why not leave a gift in your will so that future generations of local kids have the support they need to make the most of their lives?

We maintain a partnership program allowing business and community organisations to work with Trust In Kids, and there are various fundraising platforms for one-off events and contributions.

UMFC also provides a range of volunteering options for anyone wanting to make a difference in a vulnerable child or young person's life.

For further information or to make your donation, please drop in to any UMFC office, call us on 02 6055 8000 or 03 5720 0000, or visit umfc.com.au
