Albury Wodonga Family Law Pathways Network

The Albury / Wodonga Family Law Pathways Network (the 'Network') is funded by the Australian Government through the Attorney-General's Department. Upper Murray Family Care (UMFC) auspices the Network and employs a project officer in a facilitation role.

The Network is a means for organisations and individuals working within and alongside the family law system to come together and build better outcomes for families intersecting with the system. The primary aim of the Network is to build referral pathways and share information across a broad range of services.

You can email us at awflpn@umfc.com.au and find information and resources at familylawpathways.com.au

UMFC acknowledges the support of the Victorian, NSW, and Australian governments. We acknowledge the traditional custodians and Elders past and present, who have raised children and taught them about the world around them. We celebrate diversity and are committed to inclusion for all as a service and a workplace. We are a Child Safe Organisation

Separation Services Guide

Supporting children and families in their time of need.
